

PIV Transparent Smart Reader

SOLUTION FACT SHEET

I am looking for reliable, cost effective, leading technology FIPS Transparent Readers for my access control system.

BQT has the SOLUTION, providing a solution with options to suit the most complex organisation's requirements.

- **BQT have developed a Smart Reader capable of reading and providing specified output for each of the NIST/GSA issued ISO14443 (Type A) test cards,**
- **Supports Wiegand and RS485 output (plain or AES128) output options and we can customise the reader output to suit your clients needs,**
- **ISO14443 (Type B) cards can also be supported on a custom basis,**
- **The Smart Reader is available in a range of series designs and additional technology options for migration to other technologies can be supplied,**
- **BQT Solutions can also provide this Smart Reader on white label and OEM basis for volume customers.**
